Alan Simmons, Jr

Best of luck
to a swell friend.
Remember the fun and the
times you went to the hop
with Bonnie and I, and we stayed
out too late. Good luck in your
future years at Wilson.
Be good and take care.
Good luck with your special
friend whoever she may be.
Love, I put happiness and wishes
in the shell for you.

Foreword...

This is a story about us—fifteen hundred and fifty boys and girls who work and play in this maze of one story buildings from 8 o'clock in the morning until 3 in the afternoon.

Bacon says, "Studies serve for delight, for ornament and for ability...". With each passing day that darkness which separates us from the mysteries and knowledge of the world is gradually being lifted so that we better understand man's search for the true and useful life.

As we, the Seniors, leave these halls, courage, faith and hope will ever be in our hearts and it is our wish that we may contribute in some small way to making this a better and more peaceful world.

Augusta County maintains a fleet of busses, 36 of which serve Wilson Memorial High School. We are on our way home here.

MR. JAMES W. BERRY

Dedication

He taught us with the characteristics of sternness, humor and fair play. With him mathematics was not a chore; basketball and baseball wins were important but the lessons we learned in good sportsmanship were more important.

He made us think, for he taught the lessons of life with real understanding and with sympathy.

We learned eagerly and well.

It was a deep sadness that descended upon us when the news came to us on August 18, 1960, that Mr. Berry had died very suddenly.

This abundantly energetic teacher, coach and friend will always be close to our hearts. It is with the deepest respect and gratitude for a wonderful life's example that we, the 1961 Hornet's Nest staff and students, dedicate this annual to Mr. James W. Berry.

JUNIORS '62

Wisdom, Juniors, wisdom,
We'll get it yet.
Accept lessons cheerfully
And don't waste time to fret.
Study hard, for it won't be long
One short year to go,
Hail us, underclassmen,
As the class of '62.
Intellect seems to tell me
That we are going to be
Noblest of all Senior classes
That W.M. will ever see.
Good work is our motto
And we'll always do our best.

To victory we're nobly bound,
We'll surely stand the test.
Observance of good ethics prompts
Respect for our instructors, too,
Victoriously we'll graduate
And to W.M. e'er be true.
Labor on till the task is done
And school days are o'er,
Ever seeking knowledge
For more and more to do.
Exhaustive research leads to our goal
Hail! The class of '62.

A MORNING PRAYER

Each morning I say a prayer to God,
Please keep me safe through out this Day
And bring me home when Day is done.

Let me be cheerful and gay
to all who come within my
path today.

Each night I say my prayers again,
With hopeful loving pride;
Oh God; Keep me through out these years
and help me to remember You are
always by my side

TEAR OF THE YEAR

As I was sitting alone tonight,
You seemed so very near.
Your voice reached out across the miles
And told me that you cared.

When you took me in your arms
On that wet and rainy day
And told me very gently,
"Darling, I have to go away."

As I think back about that day,
The day you said good-bye.
The lonely tears run down my cheeks
And once again I cry.

Future Farmers of America

The Future Farmers of America is a national organization of, by and for, boys studying vocational agriculture in public secondary schools. It provides farmer-citizenship and leadership training. As a student organization, it enjoys self-government under adult counsel and guidance. The "FFA", as it is commonly known, has as its purpose, to instill in the hearts of young farm boys a desire to perform more efficient agricultural practices, to contribute to the betterment of the local community and to live a more satisfying farm home life.

DAVID GEIMAN, JR. won the state F.F.A. public speaking contest in 1960. He also placed first in the tri-state and placed second in the southern region.

GLENWOOD J. (SONNY) BLASLEY, JR. was named F.F.A. Star Farmer of Virginia in 1960.

PLEDGE

As a true 4-H club member
I pledge my head to clear thinking,
My heart to greater loyalty,
My hands to better service,
And my health to better living
For my community, my club
And my country.

This club meets on the first and third Monday of each month.

Projects for the year are selected at the beginning of the school term; they may be projects in improving personal appearance or projects in canning, cooking or sewing.

We try to promote better understanding and relationship between the club members and the people in the community.

Our adult advisor meets with the club and helps us live up to the motto, "To Make The Best Better".

Just I'll
start off by wishing
you the best of everything
and loads of God's love to a wonderful
brother! I also wish you such with
such girls may be. Remember our good times
together since we were but so high
Remember our little talks and how He divine
and how you taught me how to be
well I'll be beside you always love you & be
with you in what ever you
may find. Be good to be a
and this to life
success in life
know you will.
Love you
Dorrie
